

DR. IOANNIDIS CV

SUMMARY

Dr. Ioannidis's passion for health care started at an early age. This drive led him toward completing his bachelor's degrees in both biological sciences and psychology at the University of Windsor in 1994. Dentistry was a natural progression in his desire to help people improve their quality of life. He subsequently obtained his Doctorate of Dental Surgery from the University of Western Ontario in 1998. Since then, Dr. Ioannidis has taken great pride in delivering the highest quality of care in all aspects of Dentistry. In 2004 he commenced his role as clinical instructor for fourth year restorative students at the University of Toronto's Dental Faculty, a position he still holds to this day. Dr. Ioannidis is also an active member of the Ontario Dental Association and has been practicing on the Danforth since 2007. Beyond dentistry Dr. Ioannidis is happily married, loves to travel, and is an active jogger.
