

MY BIO

Dr. Varshney completed her undergraduate degree in Sciences at Brandon University in 1992 in her hometown. She went on to pursue dentistry at the University of Manitoba, receiving her Doctor of Dental Medicine (DMD) in 1996. Dr. Varshney then completed a one year general residency at Mt Sinai Hospital in Toronto where she gained advanced experience treating a wide range of patients and dental needs. Dr. Varshney is passionate about providing comfortable, compassionate care and helping patients achieve their oral health goals with confidence. She is a founding member of a charity called 'Restoring Smiles', where she provides dental care to survivors of gender-based violence. Dr. Varshney is a member of the Ontario Dental Association (ODA), has held the position as an ODA general councillor for several terms, and was awarded a merit certificate for her numerous years of commitment as a board member with the ODA at the component society level. She has been practicing dentistry on the Danforth since 2007. When she's not in the office, Dr. Varshney is a longtime supporter of the ballet and arts and enjoys spending time with friends and family.
