

WE ARE HAPPY TO ANNOUNCE THAT BROADVIEW DENTAL IS ON THE MOVE!

BUT DON'T WORRY, WE AREN'T MOVING FAR 😊

Come November 2022, Broadview Dental will be moving around the corner and up the street to **175 Danforth Avenue**, directly across from the Shoppers Drug Mart at Danforth and Ellerbeck.

Just as close to the Broadview Subway station, and conveniently located near ample street parking and green P parking lots, our close move to the heart of the Broadview-Danforth community will allow us to serve you even better.

With a new larger facility on ground level, we'll be able to service all your dental needs with the most up to date technology. All in the middle of the multitude of shops and services the Danforth has to offer!

So please watch out for future announcements about our big move..

We're looking forward to seeing you soon!
